

Technical Training Price List 2026

All prices listed are exclusive of VAT.

Please note, the prices described are our **starting from** prices. All training quotes are created bespoke depending on factors such as the training venue. Our training team will send you an official quote once an enquiry has been received.

Some courses can be delivered at **your venue**. Please contact our training team to discuss if this is possible.

Bespoke courses can be created and delivered. Please contact our training team to discuss your requirements.

You can also make any enquiry via our website: <https://www.pmtanda.co.uk/contact-us/>

PM Training and Assessing Ltd is a Silver Delivery rated NSAR Assured Provider (**RTAS0464**).

Courses for Signal Engineers	From: (per person) Excl VAT	Price for exclusive course from: (10% disc) Excl VAT
Intro to Signalling Max 6 people 3 Days	£525	£2,835
SEM 1 Max 6 people 10 Days	£1,750	£9,450
SEM 2 Max 6 people 15 Days	£2,625	£14,175
Working on Operational Signalling equipment (module from SEM) Max 6 people 1 Day	£200	£1,080
Introduction to Installation Techniques Max 6 people 5 Days	£1,000	£5,400

Electrical Signals including AWS FLMF (module from SEM) Max 6 people 5 Days	£875	£4,725
Cables and Power Supplies FLMF (module from SEM) Max 6 people 3 Days	£600	£3,240
Track Circuit DC FLMF (module from SEM) Max 6 people 3 Days	£600	£3,240
Basic Diagram Reading Max 6 people 3 Days	£525	£2,835
Basic Diagram Reading – extended <i>(A more in-depth course than the 3 day one)</i> Max 6 people 5 Days	£875	£4,725
Fault Finding & Diagram techniques (module from SEM) Max 6 people 3 Days	£600	£3,240

Balise Installation & Main Sig 62 Max 4 people 1 Day	£250	£900
Balise Programming Sig 61 Max 4 people 1 Day	£250	£900
SEI - Signal Engineering Installation Max 6 people 10 Days	£1,750	£9,450
Cable Jointing Max 6 people 5 Days	£875	£4,725
SPWEE Max 8 people 1 Day	£150	£1,080

Courses for Maintenance Signal Engineers	From: (per person) Excl VAT	Price for exclusive course from: (10% disc) Excl VAT
SMTH Initial Max 6 people 10 days	£2,500	£13,500
SMTH Upskilling day (child competencies) Max 6 people 1 day	£700	£1,890
SMTH Recert Max 1 person 1 day	£800	n/a
SMTH Coaching/Mentoring days Min 1 person 1 Day	£700	n/a
SMTH Release of Controls Max 6 people 2 days	£500	£2,700
SMTH Management Max 6 people 2 days	£400	£2,160

G110 Tester/ Lead Tester Max 6 people 2 days	£500	£2,700
G110 Author/Checker/Authoriser Max 6 people 3 days	£750	£4,050
G110 All Max 6 people 5 days	£1,250	£6,750
G110 Recert - online test Max 1 person 1 day	£150	n/a
SFI Level 1 (Failure & Incident Testing) Max 4 people 2 days	£500	£1,800
SFI Level 2 (Failure & Incident Testing) Max 4 people 2 days	£500	£1,800

Courses for Testing Signal Engineers	From: (per person) Excl VAT	Price for exclusive course from: (10% disc) Excl VAT
Mod 5 (Test Assistant) Max 6 people 4 days plus half day 1:1 assessment	£1,050	£5,670
Mod 3C (Verification Tester) Max 6 people 4 days plus one day 1:1 assessment	£1,500	£8,100
Mod 3BL (Functional Tester) Max 6 people 4 days plus one day 1:1 assessment	£1,600	£8,640
Mod 4 (Functional Tester of Equipment) Max 6 people 4 days plus one day 1:1 assessment	£1,300	£7,020

Courses for Design Signal Engineers	From: (per person) Excl VAT	Price for exclusive course from: (10% disc) Excl VAT
BST – Basic Signalling Technologies 5 days Max 10 people	£1,000	£5,400
IST – Intermediate Signalling Technologies 10 days Max 10 people	£2,250	£12,150

Specialist Courses for Signal Engineers	From: (per person) Excl VAT	Price for exclusive course from: (10% disc) Excl VAT
Hi Matrix Level Crossing 3 days Max 6 people	£600	n/a
Hi Matrix Taffs Well 2 days Max 6 people	£400	n/a
H&K Points 2 days Max 6 people	£400	n/a

Courses for Telecom Engineers	From: (per person) Excl VAT	Price for exclusive course from: (10% disc) Excl VAT
Introduction to Railway Telecoms 2.5 days Max 10 people	£500	£4,500
Introduction to Transmission systems 2.5 days Max 10 people	£500	£4,500
Introduction to I/P 2.5 days Max 10 people	£500	£4,500
Introduction to ERTMS/GSM-R/FRMCS 2.5 days Max 10 people	£500	£4,500
Telecoms Cable Principles 2.5 days Max 10 people	£500	£4,500

Railway Operational Telecoms 2.5 days Max 10 people	£500	£4,500
Copper Cables 1 day Max 6 people	£200	£1,080
Fibre Optic Cables 1 day Max 6 people	£200	£1,080
Telecoms Copper and Fiber Optic Testing 2.5 days Max 10 people	£500	£4,500
Railway SISS/Retail 2.5 days Max 10 people	£500	£4,500
TMT & FIP 2 days Max 6 people	£500	£2,700

Courses for all Engineers	From: (per person) Excl VAT	Price for exclusive course from: (10% disc) Excl VAT
<p>Non-Technical Skills (per day) (5 individual days make up this course and it can be done on individual days or a full 5 day course. It covers Network Rail's NTS: SA, CON, COM, DMA, WWO, WM and SM competencies).</p> <p>Min 6 people. No max number.</p>	£200	£2,160
<p>Introduction to Project Management 5 days Min 6 people. No max number.</p>	£1,000	£10,800
